

## How to Record a PowerPoint Presentation with Audio and Video

- 1) Prepare your presentation file and select [SLIDE SHOW] menu.
- 2) Select [Record from Beginning] and record your own presentation.

- 3) After finishing the record, you should select the [Export] menu from the File menu and then click on the [Create a Video] option to save the presentation you recorded.

- 4) Then you can get your presentation video formatted mp4.
- 5) The length of the video should not exceed 20 minutes.
